The Academy is located off Junction 39 of the M1 motorway, which is approximately 15 minutes south of Leeds. This makes access by car both from the north and south of England very convenient and we can provide on-site parking.

For those travelling by rail, all trains from major cities from north and south stop at Wakefield Westgate Station. From here it is a 5 minute taxi ride to Junction 39. If you require overnight accommodation this can be arranged with local hotels ranging from Holiday Inn, up to the 4\* Cedar Court where preferential corporate rates are available to Academy members.
