

Dento-Legal - Vicarious Liability and Scope of Practice

This course explores recent advancements enabling Dental Care Professionals to provide expanded NHS GDS contract treatments. Focused on vicarious liability and scope of practice, this course delves into how these changes impact the entire dental team along with the legal and practical aspects

Speaker: Leo Briggs BDS MSc

Leo qualified in 1989 and worked extensively in the Community Dental Service including a brief period overseas.

He started working for Dental Defence Union in 2005, in February 2016 he became Deputy Head of the DDU.
