Developing Oral Surgery Skills Part 2 (MOS2)

A course for Dentists

Overview:

A course for Dental Practitioners who have completed the HEE MOS1 course, or have Post Graduate Oral Surgery experience and want to improve their skills and complete more complex procedures. This course will build on oral surgery competencies and further develop your hands on skills and knowledge base.

This course will involve the use of pigs jaws for the practical element .

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website: www.maxcourse.co.uk/henw

Cancellations: Refunds will not be given after the 30th December 2016 however you can nominate another delegate.
