

“Walk in Their Shoes” A Dementia Simulation Experience.

NHS
England

This program offers participants an immersive experience into the world of individuals living with dementia, fostering empathy and understanding. Through interactive exercises and simulations, attendees gain firsthand insight into the challenges faced by those living with dementia. Emphasising the importance of dignity and respect, in accordance with Regulation 10 by the Care Quality Commission (CQC), this course promotes compassionate care and enhances awareness of the needs of individuals affected by dementia.
