

## **Common causes for complaints in Dentistry**

Tuesday 13 January 2015

09:15 – 12:30

Postgraduate Medical Centre, Royal United Hospital

### **Speaker Information**

**Leo Briggs BDS MSc**  
**Dento-legal adviser, DDU**

Leo qualified from University College Hospital, London, in 1989. Leo has worked in the Community Dental Service including a brief period overseas and also in General Dental Practice.

Having gained a master's degree in Periodontology from the Eastman Dental Institute, London in 1995 Leo is on the GDC specialist register for Periodontics.

Leo started working part time for the DDU in 2005. Between 2007-2009, Leo worked part time at the DDU and part time at the School for Professionals Complementary to Dentistry in Portsmouth.

From February 2009 Leo started working full time for the DDU, but continues to work clinically as a specialist periodontist in a General Practice on alternate Saturdays.
