

## **Sally Hanks**

Sally is the Final Year Lead at Plymouth University Peninsula School of Dentistry and Module Lead for Professionalism for both BDS and BSc in Therapy/Hygiene.

She qualified from Bristol Dental School in 1993 and spent the first 10 years of my career working full time in primary care dentistry. This included roles in the NHS, private practice, and as a civilian dental officer with the Royal Navy.

Over the next five years she developed her clinical career develop by working with special care patients and furthering her interest and expertise in behavioural management strategies. She gained her Advance Diploma in Hypnosis and Stress Management from the University of Stafford in 2010.

Her particular clinical interest is in dental behavioural management for patients with special needs and for those who have a fear of the dentist.
