

***Directions to the Peninsula Dental School Derriford  
Research Way Plymouth PL6 8BT  
Plymouth Science Park***

***From Exeter***

When entering Plymouth, continue across the flyover at Marsh Mills and along The Parkway (towards Cornwall). Take the Manadon exit and follow the signs to Tavistock (A386). At Derriford roundabout take the 3<sup>rd</sup> exit (for Hospital). At the second set of traffic lights, turn right (sign-posted Plymouth Science Park) into Research Way. Follow the road down over the hill to the very bottom where you will see in front of you a large white building which is the dental school. To the left of the school there is a slip road that leads directly to the car park.

***From Cornwall***

From the Tamar Bridge take The Parkway to Manadon exit and follow the signs to Tavistock (A386). At Derriford roundabout take the 3<sup>rd</sup> exit (for Hospital and Airport). At the second set of traffic lights, turn right (sign-posted Plymouth Science Park) into Research Way. Follow the road down over the hill to the very bottom where you will see in front of you a large white building which is the dental school. To the left of the school there is a slip road that leads directly to the car park.
