

Directions to the KCOM Stadium

By Car

From the West

1. Approach Hull from the M62, which leads straight onto the A63.
2. Continue on the A63 under the Humber Bridge.
3. Take the exit towards Ring Road
4. At the roundabout, take the 1st exit onto Brighton St/A1166
5. Go through 1 roundabout
6. At the roundabout, continue straight onto Liverpool St
7. At the roundabout, take the 2nd exit onto Hessle Rd
8. Turn left onto St Georges Rd
9. Turn right onto Arthur St
10. Turn left onto Walliker St
11. Turn right onto Carnegie St
12. Turn left onto Perry St
13. Continue onto Anlaby Rd
14. Turn right
15. Turn left in to the car park
16. If barrier is up (if not park there and walk the rest of the way), go through and turn left and go straight on
17. Destination will be on the right

If using a Sat Nav, I would advise **adding Perry Street as your destination (not Anlaby Road or Post Code)** as that is the closet street to the stadium. Then follow the road round and under the flyover, turn right and then left in to the car park. If the barrier is up go through and turn left, go straight on and then you will see the events centre on your right.
