Is this Course for Me?

Are you looking to fit the pieces of the jigsaw together and become more confident in your role as CS and ES and writing CSRs and ESRs?

Do you want to know how your reports compare with your peers?

Do you want an opportunity to spend a day with Trainers who have similar amount of experience as you?

Who is this Course Intended for?

If you have recently become a trainer, (within the first year of approval), and not yet had your first re-approval or attended a Trainer Seminar this may be the Course for you.

It is not intended for experienced Trainers.

What are the Aims and Objectives of the Course?

We will be covering all aspects of the CSR and ESR.

There will be plenty of opportunity for discussion and picking up tips on how to use Educator Notes, the CSR and ESR effectively and efficiently and how to save time as a Trainer and Educational Supervisor.

Share ideas about how to make the most of these assessment tools.

There will be an opportunity for benchmarking and how we can ensure Trainees are treated fairly.

Pre-Course Preparation

You will need to bring a wireless laptop with you.

Please get your trainee's permission to look at their e-portfolio in small groups.
