

Dental Support Introduction

England

Who we are

Please contact us at
england.dentalsupport.yh@nhs.net

What we do for DCT

Onboarding of new starters, following National Recruitment

Planning, funding and confirmation of DCT placements with Trusts and TPDs

Arranging and administering RCPs and publication of completion certificates

Organising regional study day programme and administering Maxcourse

Processing all applications that occur during training including deferrals, LTFT etc

Keep accurate records of training progression; any long-term absences, extensions to training etc

Administer some parts of Axia ePortfolio e.g. creating and linking accounts, resetting passwords, unlocking some sections

Signpost to available personal and professional support within NHSE

What we don't do

Have any involvement in pay or pension issues

Please contact your employing Trust

Approve annual leave requests.

Please contact your employing Trust

Agree specific working days or rotas.

Please contact your employing Trust

Form part of the RCP panel.
We just administer the process, we are not involved in decision making

Administer study leave expenses.

Please contact your employing Trust

Administer Accent Leave Manager

Please contact
england.studyleave.yh@nhs.net

What information we need from you

Changes to personal details
and up-to-date contact details
*Please use an NHS email
address, if possible*

Anything that affects your
GDC registration

Dates of any parental leave,
sick leave or other absence of
more than 2 weeks that may
affect your completion date

Resignation from the training
programme, if you choose to
leave before your planned end
date
