

BURS FOR WEXHAM PARK CROWN & BRIDGE COURSE 2021

The funds for the course don't stretch to including burs so please bring some to each of the days. You may have these burs already in your practice. If so bring some new burs to the course. It may be simpler to order a set from Shottlander with discount. Sandip and I use a variety of burs many of which are "two striper". This will be a more laborious order but you may be using them already. You will definitely need option 1 or 2 for the course. The additional burs are for teeth with long clinical crowns (Perio) and all porcelain preparations.

Option 1.

Eastman CPD Clinical Crown & Bridge Bur Kit – contains 10 diamonds

Contact Shottlander Tel 01462 – 480848

N.B If you tell them you are on the Wexham Park C&B course they will give you the bur kit with a 20% discount **£62.35 inc VAT**

Option 2.
