

# Acute Simulated Core Medical Emergencies

**Tuesday 16th March & Wednesday 5th May 2021**

**This course is intended for Core Medical Trainees and we encourage you to attend the ASCME course during your first year of core medical training.**

**ASCME aims to provide you with experience in the management of acute medical emergencies and human factors.**

**To book your place on the course please access Maxcourse  
or for more information on our Bradford Course  
email [facilities.administration@bthft.nhs.uk](mailto:facilities.administration@bthft.nhs.uk)**
