A group photograph of five dental professionals (three men and two women) smiling and standing together in a clinical setting. They are dressed in professional attire, including shirts, ties, and a cardigan.

## Mental Capacity and the Dental Team

### A course for the Dental Team

**Overview:**

Dental practitioners are required to act under the provisions of the Mental Capacity Act 2005 and follow its Code of Practice.

This course is designed to look at the principles of the Mental Capacity Act (including Deprivation of Liberty), whilst recognising issues around consent and its application for the Dental team.
