

# **Ben Squires: Devolution, Dentistry - and how it impacts on health and wellbeing**

Our mandate  
**2,800,000**

people

in Greater Manchester

**CHALLENGE**

**IMPROVING  
HEALTH AND  
WELLBEING**

**HOW?**

Deep understanding of the  
people of Greater Manchester

**METHOD:**

## Vision

**“To Ensure the greatest and fastest possible improvement to the health and wellbeing of the 2.8million people living in our region.”**

**Five Year Forward View  
published late 2014**

**“Increasingly we need to  
manage systems –  
networks of care – not  
just organisations”**

Delivering Integrated Care  
Across Greater Manchester

# The Primary Care Contribution

Our Primary Care Strategy  
2016 - 2021

Taking charge  
of our Health

Shaping  
the future

# What are we doing in GM

**NHS**  
Stockport Clinical Commissioning Group

**Stockport Minor Eye Conditions Service**

If you have a problem with your eyes such as those listed inside this leaflet, then this service can assess and treat you.

The service is funded by the NHS and is available from local opticians throughout Stockport. Appointments are normally available within 2 working days.

If you are unsure whether your symptoms can be assessed and treated by the service, please contact one of the optometry practices listed in this leaflet and they will advise you.

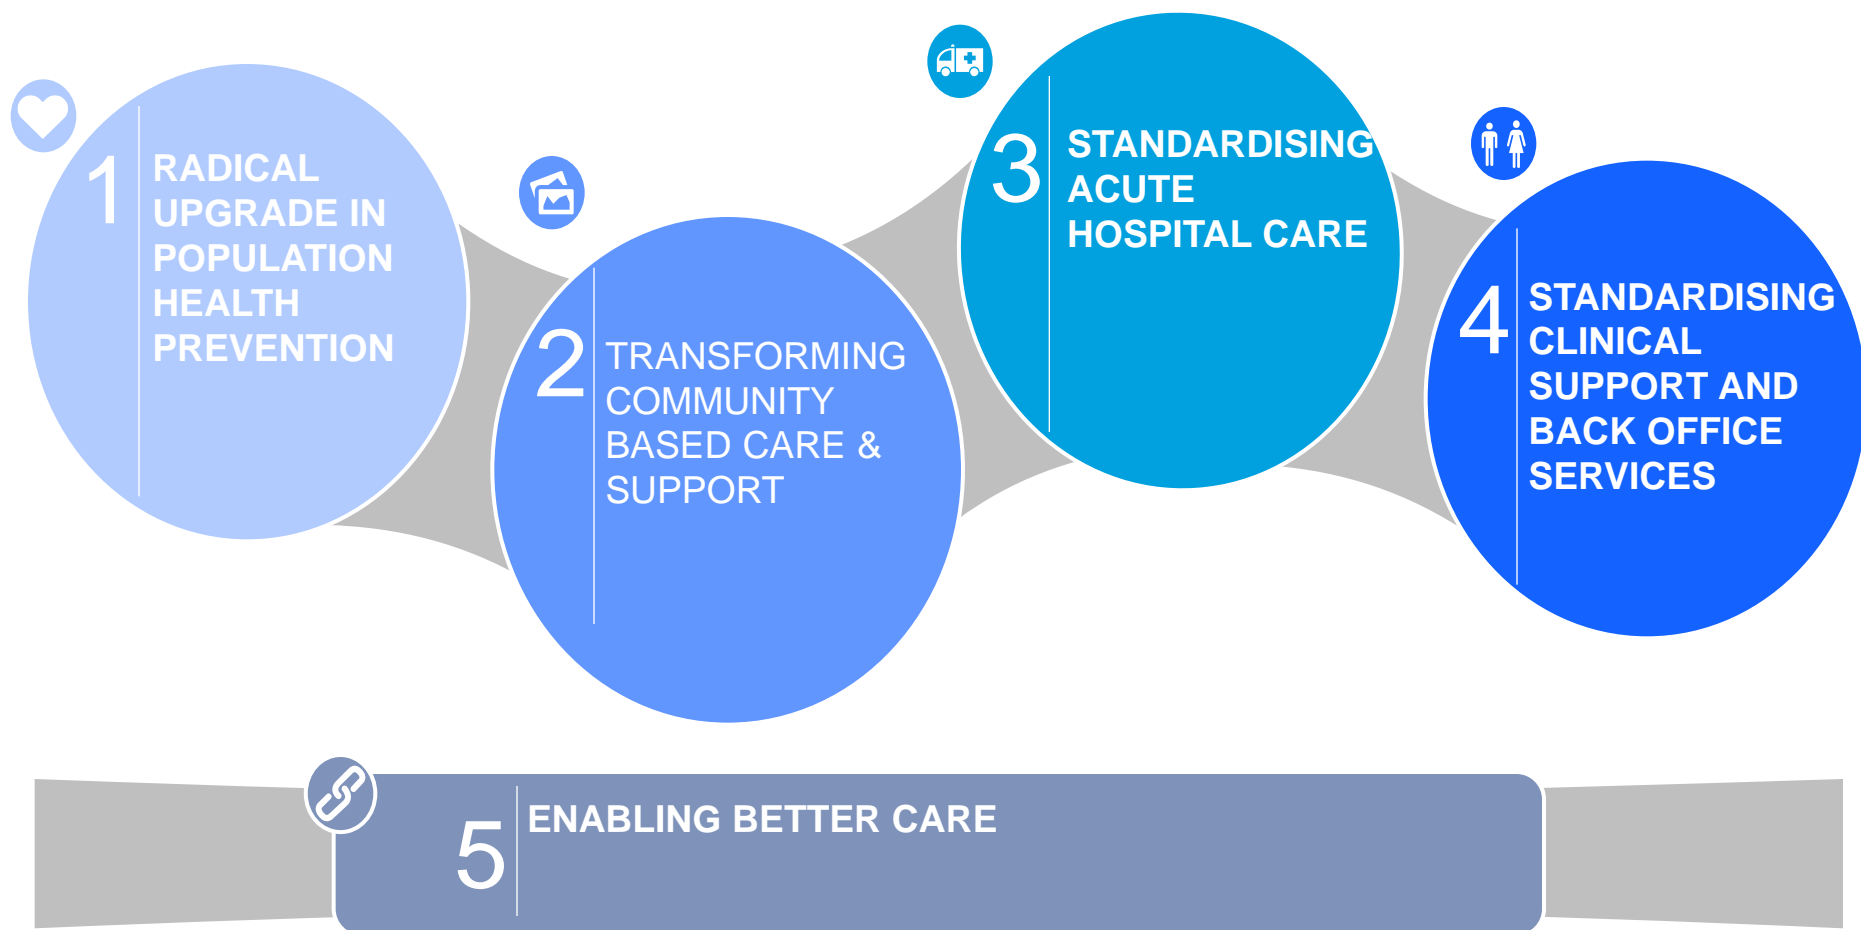

Free NHS assessment for minor eye conditions at a local optician
