

# Supporting Mental Wellbeing in the Dental Practice

1 Hour  
eCPD

Aids your practice to evidence the CQC expectation for a strong emphasis on the safety and wellbeing of staff.

**Health Education England North West**, working with NHS/E and PHE, are introducing free mental wellbeing and resilience training including resources for the dental practice team. We are inviting practice owners and practice managers to attend one of our informative eCPD webinars to find out more.

**Greater  
Manchester**  
Monday 17th May  
2021

**South Cumbria &  
Lancashire**  
Tuesday 25th May  
2021
