Dental Acupuncture:

A course for GDC Registrants

Overview:

This is a foundation course which introduces how you can begin to use acupuncture in your dental practice safely to the benefit of your patients. The course provides theory and background of acupuncture and how it can be applied in dentistry.

You will learn to identify local and distant points of acupuncture and perform practical needling of these points.

Please note: All attendants at this course must hold a full GDC registration at the time of the course.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website:
www.maxcourse.co.uk/henw

Refunds will not be given after the 13th March 2017 however you can nominate another delegate.
