A large, thick stack of papers and folders, some white, some yellow, and some red, piled up and slightly disorganized.

# Information Governance for the Dental Team

## Overview:

Dental teams have a responsibility to ensure that the information held about patients, whether in digital, or any other formats is kept securely and within the requirements of the law.

This session brings together all the legal requirements, rules, guidance and best practice applying to the handling of information.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website:
