Oral Health Education for Dental Nurses

Overview:

This course has been developed by the BDA to ensure that dental nurses receive the knowledge, experience and competencies to support patients with their oral health. It will encourage the development of effective communication skills and enable dental nurses to inform behavior change in the context of oral health and also wider health issues.

To gain this award students will need to:

- Attend all four study days
- Hold a recognised dental nursing qualification
- Be registered with the GDC
- Obtain the signed support from a dentist who is willing to support your practical work
- Have access to a variety of patients
- Have availability of a computer with internet and sound

For full aims, objectives, learning outcomes and to reserve your place
visit the Maxcourse website: www.maxcourse.co.uk/henw

Cancellations: Refunds will not be given after 24th April 2017
However you can nominate another delegate.

The qualification will be awarded by the BDA
