SPEAKER:

Glenys Bridges

A large, thick stack of papers and folders, some white, some yellow, and some red, fanned out and leaning against each other, creating a sense of depth and volume.

Information Governance for the Dental Team

Overview:

Dental teams have a responsibility to ensure that the information held about patients, whether in digital, or any other formats is kept securely and within the requirements of the law.

This session brings together all the legal requirements, rules, guidance and best practice applying to the handling of information.
