# 'Sign'posting Communication:

## A course for the Dental Team

### Overview:

### GDC Principle Two

#### Communicate effectively with patients.

The course introduces Makaton as a form of communication with patients with hearing difficulties. Makaton is a basic form of 'sign language' which can be used with Children and Adult patients. Participants will learn the value of Makaton and will be able to use a number of dental specific signs and symbols that can help with everyday communication.
