Audit in General Practice:

A course for the dental team

Overview:

This evening session provides a realistic guide on integrating audit in to the dental practice. The course will provide insight into;

- What audit is and how it is done
- Where it fits in the current regulatory framework and its place
- Integrating audits into your own workplace

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website:
www.maxcourse.co.uk/henw
