Skills for Clinical Holding:

A two day course

Overview:

This course is designed for staff who work in a range of settings with children and adults who will not or cannot consent to essential care and treatment.

Learn how to manage behaviour that compromises the safety of the clinical procedure through interactive lecture and physical interventions.

Participants will be awarded a BILD accredited certificate in CH-3SM Holding Skills for Essential Care.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website: www.maxcourse.co.uk/henw
