Use of Local Anaesthetics & Prescription only Medicines

A Course for Dental Therapists & Hygienists

Overview:

This two topic session aims to update and provide a greater understanding of basic pharmacology.

Use of local Anaesthetics

Discussions including:

- Use of anaesthetics by Hygienists/Therapists
- Anatomy related to LA Administration
- Potential side effects and complications of LA

Prescription only Medicines

Updating on exemptions for PoMs, including the
“Subscribe to Prescribe” campaign.

For full aims, objectives, learning outcomes and to reserve
your place visit the Maxcourse website: www.maxcourse.co.uk/henw

Refunds will only be given up to 4 weeks prior to the course date.
However, places can be transferred between colleagues
if necessary at any time.
