# Rubber Dam:

## A course for the dentists & dental nurses

### Overview:

This practical hands on session will demonstrate the skills required for placing Rubber dam. The session will also emphasise the role of the dental nurse in the quick delivery and placement of rubber dam.

It is recommended that dentists attend with their nurse, although this is not essential.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website:  
[www.maxcourse.co.uk/henw](http://www.maxcourse.co.uk/henw)

Refunds will only be given up to 4 weeks prior to the course date. However, places can be transferred between colleagues if necessary at any time.
