# Recreating Anterior Teeth with Direct Bonded Composite.

## Overview:

This hands on course and lecture for dentists aims to make delegates aware of various techniques for restoring anterior teeth with direct composite restorations.

By completing this session delegates will have a further understanding of bonding agents, shade taking & composite selection.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website:  
[www.maxcourse.co.uk/henw](http://www.maxcourse.co.uk/henw)

Refunds will only be given up to 4 weeks prior to the course date. However, places can be transferred between colleagues if necessary at any time.
