Dental Decontamination and Infection Control Event

This event is primarily aimed at decontamination leads and dental nurses with decontamination responsibilities.

Overview:

This half day course is a great opportunity to gain further knowledge of current guidance on dental decontamination and infection control.

Delegates will also receive information about the content of the City and Guilds Level 3 Certificate in Dental Decontamination which is open to all GDC registrants with DCP status.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website: www.maxcourse.co.uk/henw

Refunds will only be given up to 4 weeks prior to the course date. However, places can be transferred between colleagues if necessary at any time.
