GREATER MANCHESTER DENTAL TEAM EVENT

WEDNESDAY 6TH
DECEMBER 2017

OVERVIEW:

This 'multi topic' day will provide an excellent opportunity for your dental team to join and network with your peers whilst receiving important updates & information regarding issues currently at the forefront of dentistry.

Be ready for the upcoming changes within the GDC by learning all about 'Enhanced CPD', which will affect all registered team members from 2018. Updates will be provided on other key topics such as 'Periodontology' and 'Medical Emergencies' and other topics to suit the interests of all members of the team. See the programme details below & make your session choices now!
