

Introduction to Working in the NHS

This course is designed specifically for dentists wishing to be included on a performers list and who have not completed UK based Dental Foundation Training.

It provides an invaluable insight into the delivery of Primary Care Services and is highly recommended by Local Area Teams.

Applicants may include:-

- Non EEA overseas dentists
- EEA dentists who have not worked in NHS practice
- Dentists returning to practice after a career break
- Dentists who are returning to the GDC register
- GDPs wishing to ensure they have satisfied GDC core key skills.

NOTICE TO APPLICANTS:

- Course is limited to 15 places and attendance on all dates is required!
- Closing date for applications: Tuesday 14th October 2014
- Unfortunately the Department of Health no longer fund the course and hence the fee is £500.00
