A close-up photograph of a dental surgery. A gloved hand is visible near a blue tray containing various dental instruments, including several long, thin metal probes and a pair of dental forceps. Below the tray, several clear plastic syringes are visible.

# Developing Oral Surgery Skill Part 1 (MOS1)

## A course for Dentists

**Overview:**

A practical hands-on, interactive session focusing on the assessment and treatment of surgical dentistry patients in general practice, plus when to treat and when to refer.

This course will involve the use of pigs jaws for the practical element .
