# Practical Professionalism for Everyday Dentistry

A course for the dental team

## Overview:

This one day course will give delegates an overview of practical ethical issues within a dental practice.

Learn to distinguish between business and professional ethics and evaluate how professional issues can affect patient care provision, feedback and complaints management.

Discuss the importance of patient engagement and partnership in providing good clinical care and identify resources and tools for reflective practice.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website: [www.maxcourse.co.uk/henw](http://www.maxcourse.co.uk/henw)

Refunds will only be given up to 4 weeks prior to the course date. However, places can be transferred between colleagues if necessary at any time.
