Clinical Photography for the Dental Team

Overview:

Learn how to take high quality digital dental photographs using correct positioning and settings and explore quality resources for your practice.

This one day course is a mixture of lecture and hands on practice outlining the use of clinical photography in daily practice and its' medicolegal aspect.

If you wish to learn on your camera, please bring it along, otherwise, one will be provided for you to practice with.

For full aims, objectives, learning outcomes and to reserve your place visit the Maxcourse website: www.maxcourse.co.uk/henw

Refunds will only be given up to 4 weeks prior to the course date. However, places can be transferred between colleagues if necessary at any time.
