

Conscious Sedation in Dentistry **An Update for the Dental Team**

Venue: The University of Liverpool, School of Dentistry Upper Lecture Theatre
(Seminar Rooms 1 & 2 for Refreshments)

Date: Saturday 12th March 2022

Time: 10:00 am to 4:45pm - 9:30am to 10:00am Arrival, Registration & Coffee

Conference Chair and Presenter

Professor Kate Taylor (Professor/ Honorary Consultant in Oral Surgery)

The course will be delivered by a panel of presenters who are experts involved in the delivery and teaching of Conscious Sedation.

Aims:

To update the dental team on issues relating to the provision of Conscious Sedation for adult and paediatric patients. This symposium is designed for the dental team treating patients using conscious sedation techniques in primary care. This will include pharmacological and non-pharmacological techniques and guidelines for current practice. There will be opportunities to discuss challenging cases with a panel of experts.

Learning outcomes

By the end of the event, participants will be able to:

- Describe current issues affecting patients treated with sedation
- Discuss appropriate assessment of patients for conscious sedation
- Be able to identify when advanced sedation is more appropriate and when to refer
- Critically assess risks associated with IV sedation and discuss ways to improve patient safety
- Discuss conscious sedation and older patients
- Discuss RA and methods and optimising care for paediatric patients

This programme qualifies for 5.5 hours of verifiable CPD

This course links to Enhanced CPD development outcomes: A, C and D

This course is subsidised by Health Education England. The subsidised fee for this event is £55.00 per person, which includes a sandwich lunch and refreshments. Places are limited to 50 and will be allocated on a first come first served basis. The course closing date is **Friday 25th February 2022**. To reserve a place please follow the online payment link below:
