

NEBDN

Certificate in Dental Implant Nursing

School for Dental Care Professionals (DCPs)

The School for DCPs are pleased to offer this unique course in the form of a 10 day programme delivered over a 12 month period which equates to 60 hours of verifiable CPD. Ensuring the Record of Competence is completed to the NEBDN standards, all candidates will be fully supported throughout the programme by our team of highly qualified professionals. Attendance to all planned sessions is essential.

Who is it for?

Dental Implant Nursing is an advanced specialised skill. As implantology expands, so then does the role of the dental nurse. As a result, this NEBDN qualification has become ever more relevant and sought after.

The qualification is open to all registered dental nurses. Clinical Indemnity insurance and a BLS certificate must be current.

It is essential that nurses wishing to embark on this course are actively involved in implant dentistry with a high volume of exposure to implant surgical and restorative procedures.

Aims

This qualification aims to provide you with:

- A standardised and quality assured learning experience with our accredited School for DCPs
- A portfolio of evidence of practical experience in the form of a detailed Record of Competence for completion within your clinical areas
- An opportunity to gain a nationally respected NEBDN qualification in this complex and evolving field of dentistry

Cost of the course (including initial examination fee)

The full cost of the course is **£850.00** per candidate. NHS practices that come under the catchment areas of the North western Deanery (*Cumbria & Lancashire, Cheshire & Merseyside & Greater Manchester*) and **are undertaking implants as part of their NHS contract** are eligible for part funding towards the course fee. If you **are eligible** for a funded place, the course fee will be **£350.00**, if you **are not eligible** for a funded place you will be required to pay **£850.00**.

If you would like further information about this course, please contact: Kareline Bull, Education & Development Manager, School for Dental Care Professionals, University Dental Hospital of Manchester, Higher Cambridge Street, Manchester, M15 6FH.
