Eligibility

This course is open to GDC registered dental nurses only. GDC number

--	--	--	--	--	--

This course prepares you for the BDA Qualification in Dental Radiography, a nationally recognised qualification that qualifies you to take radiographs unsupervised. Students must take at least 40 radiographs under supervision in practice, then complete a 1 hour, online multiple-choice examination. By applying for the course you agree that you will be able to attend all 5 workshop sessions;

Friday 22 June 2018

Friday 13th July 2018

Friday 21st September 2018

Friday 12th October 2018

Friday 9th November 2018

Saturday 24th November 2018- online examination.

You must also have the support of your practice owner or manager.

PTO

Course Fees

A contribution of £160 is required to secure a place. Once you have successfully completed the online course and the practical work, you will be prompted to register for an examination for a fee of £124. If for any reason you are unable to complete the course you will be liable for the full cost, amounting to a further £435 being invoiced to you.

Signed by the student:

I have read and understood the terms and conditions applicable to this course and accept them.

Signed

Support of the Practice owner or Manager

I have read and understood the guidance on the practical work required for this course, and I am able to give supervision and access to radiographic equipment necessary to complete the practical portfolio. I am aware of the days in which they will attend the theoretical workshops.
