

HEALTHY LIVING DENTISTRY

Do you want to....?

Develop your dental team?

Build your practice?

Provide evidence for CQC?

Improve job satisfaction?

Improve quality in your practice?

Improve health and wellbeing?

The Healthy Living Dentistry Programme may be just what you are looking for!

Produced by Greater Manchester Local Dental Network as part of the Health and Social care partnership it will also provide evidence for CQC and make your practice eligible to provide additional NHS commissioned services.

It builds on the popular programme in Wigan and is now available across all of Greater Manchester.
