

Cumbria and Lancashire Dental Team Event

This popular multi topic event provides an excellent opportunity for the dental team to obtain important updates on recommended GDC and CQC topics. Ensure you have the latest information on antimicrobial stewardship in relation to infection control and secure your knowledge on the new Radiation guidance for the dental team. Updates will also be provided on other recommended topics such as the legalities and ethics of using social media and how to maintain appropriate record keeping standards in your practice. Don't miss out on this opportunity to engage with knowledgeable speakers and network with like-minded professionals.

Sessions:

1 Radiography, what's new?

Tracey Gregory BSc MA PGCE,
An update on key changes to Regulations 2017 (IR(ME) R 17) and the legal roles responsibilities of all members of the dental team.

2 Record Keeping

Ian Redfearn BDS DPDS MSc,
A guide on appropriate record keeping and the use of audits for improving standards in general dental practice, which complies with CQC requirements

3 Social Media, bad news travels fast

George Wright BDS (Hons) MJDF RCS Eng
PgCert(DLE) MDTFEd DLM
Understand the pitfalls of using social media and professional networking forums following the launch of revised ethical guidance by the GDC.

4 Infection Control is not optional

Mrs Wendy Thompson BSc(Hons) BDS(Hons) MJDF,
This session will assist participants to optimise their management of infection prevention & control with a particular focus on drug prescribing.
