This course prepares you for the BDA Qualification in Dental Radiography, a nationally recognised qualification that qualifies you to take radiographs unsupervised. Students must take at least 40 radiographs under supervision in practice and complete a 1 hour, online multiple-choice examination.

By applying to this course, you are agreeing that you can complete the necessary practical work, access and complete the BDA online modules and attend the 5 workshop dates stated on the next page

Friday 22 March 2019
Friday 10th May 2019
Friday 28th June 2019
Friday 12th July 2019
Friday 6th September 2019
Saturday 14th September 2019- online examination.

You must also have the support of your practice owner or manager.

Course Fees

A contribution of £160 is required to secure a place. Once you have successfully completed the online course and the practical work, you will be prompted to register for an examination for a fee of £124. If for any reason you are unable to complete the course you will be liable for the full cost, amounting to a further £435 being invoiced to you.
