### Eligibility

This course is open to GDC registered dental nurses working in an NHS practice only.

GDC number 

--	--	--	--	--	--

This course prepares you for the BDA Qualification in Dental Radiography, a nationally recognised qualification that qualifies you to take radiographs unsupervised. Students must take at least 40 radiographs under supervision in practice and complete a 1 hour, online multiple-choice examination.

By applying to this course, you are agreeing that you can complete the necessary practical work, access and complete the BDA online modules and attend the 5 workshop dates stated on the next page

Friday 26<sup>th</sup> June 2019  
Friday 20<sup>th</sup> September 2019  
Friday 4<sup>th</sup> October 2019  
Friday 11<sup>th</sup> October 2019  
Friday 8<sup>th</sup> November 2019  
Saturday 23<sup>rd</sup> November 2019 - online examination.

You must also have the support of your practice owner or manager.

### **Course Fees**

A contribution of £160 is required to secure a place. Once you have successfully completed the online course and the practical work, you will be prompted to register for an examination for a fee of £124. If for any reason you are unable to complete the course you will be liable for the full cost, amounting to a further £435 being invoiced to you.

### **Signed by the student:**

I have read and understood the terms and conditions applicable to this course and accept them.

Signed

### **Support of the Practice owner or Manager**

I have read and understood the guidance on the practical work required for this course, and I am able to give supervision and access to radiographic equipment necessary to complete the practical portfolio. I am aware of the days in which they will attend the theoretical workshops.
