

Hands-on: Restoration of the root-filled tooth **A practical guide for the GDP**

Venue: School of Dentistry, Education Wing

Dates: Saturday 28th January 2023

Time: 8.45am to 9:00am Arrival and Registration - Close at 5:00pm

Course Speakers:

Mr Rahat Ali: Consultant in Restorative Dentistry / Specialist in Restorative Dentistry, Prosthodontics and Endodontics, Liverpool University Dental Hospital.

Mr Ammar Al-Hourani: Consultant / Specialist in Endodontics and Clinical Lecturer in Endodontics.

Who Should Attend?

The course is aimed at qualified General Dental Practitioners (GDP'S). It meets the new GDC requirements for enhanced CPD. Delegates can attend with an assisting dental nurse to enhance their skills and will receive verifiable CPD for the session.

Aim: The session will comprehensively discuss the restoration of root filled teeth.

A seminar and practical based session in which delegates will be shown how to prepare posterior teeth for indirect onlays. Also, delegates will be shown how to place fibre posts in plastic teeth and restore them with composite cores in order to receive a crown.

Learning Outcomes:

By the end of the event delegates will be able to:

- Explain the importance of why we should still be saving teeth.
- Describe the basic principles of RCT.
- Explain the importance of restoration after root filling a tooth.
- Identify non-post retained options to restore root filled teeth.
- Describe Interim Restoration of the Root Treated Teeth.
- Recall post retained options to restore root filled teeth.

This programme qualifies for 6.5 hours of verifiable CPD
