

CUMBRIA AND LANCASHIRE DENTAL TEAM EVENT

This year's conference provides an ideal opportunity for the dental team to hear experienced speakers give the latest updates and information on recommended GDC and CQC topics, along with the latest top tips and interesting facts in dentistry.

- **Medical Emergencies; Sepsis so what's new?**
Dave Edwards
An update on what's new with a particular focus on sepsis.
- **Complaints; New GDC principles for handling complaints**
John Makin
Highlight the reasons, including communication issues, commonly underlying complaints in the dental setting and the complaints process in line with GDC guidelines.
- **Greening up your Dental Practice; what's your carbon footprint? - webinar**
Frances Mortimer
Raising awareness of environmental impacts within the dental practice and how to reduce them
- **Mental Health, An Accidental Journey; Depressed comedian to Chief Executive**
Jake Mills
Using lived experience to display how times of difficulties can often be used as building blocks for positive change.
- **Head, Neck and Skin Cancer and the reconstruction process**
Colin Johnston
An update for dentists and their teams on Head and Neck Skin Cancer and Reconstruction
