

## HEALTHY LIVING DENTISTRY

### EXPRESSION OF INTEREST FORM:

I am interested in becoming a Healthy Living Dental Practice.

What do I need to do next?

1. Complete the checklist below and send to Healthy Living Dentistry (email and postal address)
2. Identify your oral health lead and dental health champion within your practice
3. Book the training sessions for oral health lead and dental champion through HEE <https://www.maxcourse.co.uk/henw/guestHome.asp>
4. Start to discuss in your team how you can improve health. This means that you will be one step ahead by the time you come to the training.

#### Checklist for dental practices- Level 1

| Requirement                | Name | Date training booked | Date training completed |
|----------------------------|------|----------------------|-------------------------|
| Oral health lead           |      |                      |                         |
| Dental health champion (s) |      |                      |                         |

I confirm that:

- The practice is committed to delivering better oral health
- The practice meets the NHSE contractual requirements
- The practices complies with HTM 01-05 essential standards and CQC standards
- All clinicians have been trained to level 2 in Safeguarding
