

“Bridge that Gap!” – Hands on Principles of Adhesive & Conventional Bridgework

Venue: School of Dentistry, Education Wing

Dates: Saturday 1st April 2023

Time: 8.30am to 9:00am Arrival and Registration - Close at 5:00pm

Course Speakers:

Rahat Ali: Consultant in Restorative Dentistry / Specialist in Restorative Dentistry, Prosthodontics and Endodontics, Liverpool Dental Hospital.

Callum Cowan: Consultant in Restorative Dentistry, Liverpool Dental Hospital.

Who Should Attend?

The course is aimed at qualified General Dental Practitioners (GDP'S). It meets the new GDC requirements for enhanced CPD. Delegates can attend with an assisting dental nurse to enhance their skills and will receive verifiable CPD for the session.

Aim: To help practitioners improve their tooth preparation skills to produce more successful adhesive and conventional bridge preparations.

Learning Outcomes:

By the end of the event delegates will be able to:

- Explain the indications, design features and limitations of adhesive bridge work.
- Describe the uses, advantages and disadvantages of conventional bridgework.
- Discuss the maintenance requirements and longevity of adhesive bridge work and conventional bridgework.
- Describe the principles of extra-coronal tooth preparation including the importance of retention and resistance form
- Describe the preparation and design features of a conventional metal ceramic crown and zirconia bridge retainer.
- Prepare teeth for a 3-unit conventional metal ceramic bridge and a 3 unit conventional all ceramic bridge.

This programme qualifies for 6.5 hours of verifiable CPD

This course links to Enhanced CPD development outcomes: B, C and D

Course Fee and Booking Details

This course is subsidised by Health Education England. The subsidised fee is £145.00 for Dentists. This fee includes the practical sessions and consumables, a sandwich lunch and refreshments. Dental nurses can attend free of charge when a delegate fee is paid, depending on Covid restrictions.

Places on this course are limited to 12 and will be allocated on a first come first served basis. The course closing date is **10th March 2023**. To reserve a place please follow this online payment link:

[BRIDGE THAT GAP - PRINCIPLES OF ADHESIVE & CONVENTIONAL BRIDGEWORK - 1st APRIL 2023 | University of Liverpool](#)

Cancellation policy: A refund, less £30 administration fee, is guaranteed for cancellations received up to three weeks before the start of the course (**10th March 2023 at 5pm**). No refund will be made for cancellations received after this date or for failure to attend. Substitutions fulfilling the criteria may be made at any time prior to the course start. Currently if a cancellation is due to Covid, proof of a positive PCR test is required for a refund to be issued as detailed above. At any stage, if the course needs to be cancelled by the University a full refund of the delegate fee will be given.
