

This course aims to cover the legal issues pertaining to the practice of dentistry. A view will be presented on what constitutes ethical practice. The main part of the presentation will explore the guidance & advice given by the General Dental Council in the performance of your role as a dentist.

### Objectives

- To gain understanding of what constitutes ethical, safe practice & how to risk manage the job

### Learning Outcomes

Participants will have gained an understanding of ethical practice & the requirements in the following areas:

- Communication
- Record Keeping
- Confidentiality
- Complaints
- Raising Concerns
- Teamwork
- Consent
- Management responsibilities

This topic is GDC recommended & suitable for the whole dental team.
