

Health Education England

Dental Education and Training Reform 'Have Your Say' - Local Stakeholder Event

Do the current dental education and training models supply a workforce with the skills to respond to the changing oral health needs of patients and services?

Phase two of '*Advancing Dental Care*' (ADC) is underway to answer this and other questions. This local stakeholder event is an opportunity for you to hear the findings to date, test thinking and input into refining reform options.

As a local provider of dental care, Health Education England North West would very much like to invite you and your team to take this opportunity to have your say in this important process.

Book now to attend this **free event** today by visiting: www.hee-adc.co.uk/lancs
or call **0161 665 5883** by Monday 4th November 2019

Places are limited, please book early to avoid disappointment
