

Hands on: Managing periodontal disease in dental practice within the context of the new '2017' classification.

Venue: School of Dentistry, Education Wing

Dates: Saturday 8th February 2020

Time: 8.30am to 9:00am Arrival and Registration - Close at 4:45pm

Course Speakers:

Dr Jumoke Adeyemi: Academic Clinical lecturer in Periodontology and Honorary Specialty Registrar in Periodontology

Professor Vince Bissell: Dean, School of Dentistry, Liverpool

Mrs Joanne Bowles: BSc Dental Therapy Programme Director

Miss Stephanie King: Specialty Registrar in Restorative Dentistry

Who Should Attend?

The course is aimed at qualified General Dental Practitioners (GDP'S), Dental hygienists and Dental therapists. It meets the new GDC requirements for enhanced CPD.

Aim: To provide a guide to managing patients with periodontitis within the context of the new classification of periodontal diseases.

Learning Outcomes:

By the end of the event delegates will be able to:

- Outline the definition of periodontitis and how this can be communicated with patients
- Discuss the current classification of periodontal diseases within the context of formulating a diagnosis
- Discuss how practitioners may choose to manage their periodontal cases
- Discuss when it may be appropriate to consider a specialist referral and surgical management options for periodontal diseases
- Discuss what long-term maintenance regimes may be appropriate for your patients
- Discuss and demonstrate the correct techniques in the use of periodontal instrumentation
- Discuss and demonstrate methods of sharpening periodontal hand instruments

This programme qualifies for 6.5 hours of verifiable CPD

This course links to Enhanced CPD development outcomes: A, C and D
