

“Bridge that Gap!” – Hands on Principles of Adhesive & Conventional Bridgework

Venue: School of Dentistry, Education Wing

Dates: Friday 14th February 2020

Time: 8.30am to 9:00am Arrival and Registration - Close at 5:00pm

Course Speakers:

Rahat Ali: Consultant in Restorative Dentistry / Specialist in Restorative Dentistry, Prosthodontics and Endodontics.

Callum Cowan: Specialist Registrar in Restorative Dentistry, Liverpool Dental Hospital.

Who Should Attend?

The course is aimed at qualified General Dental Practitioners (GDP'S). It meets the new GDC requirements for enhanced CPD. Delegates can attend with an assisting dental nurse to enhance their skills; however they would not qualify for enhanced verifiable CPD.

Aim: To help practitioners improve their tooth preparation skills to produce more successful adhesive and conventional bridge preparations.

Learning Outcomes:

By the end of the event delegates will be able to:

- Explain the indications, design features and limitations of adhesive bridge work.
- Describe the uses, advantages and disadvantages of conventional bridgework.
- Discuss the maintenance requirements and longevity of adhesive bridge work and conventional bridgework.
- Describe the principles of extra-coronal tooth preparation including the importance of retention and resistance form
- Describe the preparation and design features of a conventional metal ceramic crown and zirconia bridge retainer.
- Prepare teeth for a 3 unit conventional metal ceramic bridge and a 3 unit conventional all ceramic bridge.

This programme qualifies for 6.5 hours of verifiable CPD

This course links to Enhanced CPD development outcomes: B, C and D

Course Fee and Booking Details

This course is subsidised by Health Education England. The subsidised fee is £90.00 for Dentists. This fee includes the practical sessions and consumables, a sandwich lunch and refreshments. Dental nurses can attend free of charge when a delegate fee is paid.

Places on this course are limited to 12 and will be allocated on a first come first served basis. The course closing date is **24th January 2020**. To reserve a place please follow this online payment link: <https://payments.liv.ac.uk/short-courses/cpd/institute-of-clinical-sciences/school-of-dentistry/bridge-that-gap-hands-on-principles-of-adhesive-conventional-bridgework-14th-february-2020>

Cancellation policy: A refund, less £15 administration fee, is guaranteed for cancellations received up to four weeks before the start of the course (**24th January 2020 at 5pm**). No refund will be made for cancellations received after this date or for failure to attend. Substitutions fulfilling the criteria may be made at any time prior to the course start.
