

Occlusion Part 2

Application

NHS
England

This webinar will cover how to assess occlusion and decide if treatment should follow a simple or complex pathway. Routine and complex techniques for recording and reproducing the occlusion on various articulators.

The Part 1 webinar is NOT mandatory to attend Part 2, however should you choose not to attend Part 1 then you should be familiar with the fundamental concepts and terminology used in occlusion.

SPEAKER:

Martin James

Membership of The Joint Dental
Faculties of The Royal College of
Surgeons of England, Membership
in Periodontics, Fellowship in
Restorative Dentistry.
