

# Hands On Endodontics

**Health Education North West**  
Postgraduate Dentistry

This full day course on endodontics will be partly lecture based & partly hands on. It will give participants a thorough grounding in modern endodontic theory and practice and also provide an opportunity to learn and practise rotary endodontics using NiTi systems. The speakers are very accomplished in this type of course & welcome delegates bringing any questions on endodontic and related topics.

## Course Aims

- To refresh & update delegates in modern endodontic theory
- To provide delegates with the opportunity to learn rotary endodontic techniques
- To provide an open atmosphere where delegates can freely question the speakers on problems & issues they may have

*\*This course qualifies for 6 hours verifiable CPD\**
