

## Radiography Update for the Dental Team

Health Education North West  
Postgraduate Dentistry

Radiological matters in practice are no longer only the sole domain of the dentist. As such, this team working event is suitable for all members of the team with a role in the prescription, exposure, processing & interpretation of radiographs.

### Course Aims:

- To outline the principles of x-ray production & their use in dentistry
- To update participants on current legislation
- To confirm the principles of Quality Assurance
- To outline the use of digital radiography & its advantages

### Course Objectives:

- To comply with GDC regulations regarding CPD in Ionising Radiation

### Speaker

Dr Barbara Dixon B.D.S M.Sc.  
(Radiol) D.P.D.S. Dip.P.G.Ed

### Date

Wednesday 16 September 2015
