

# Level 2 Child Safeguarding Training for Dental Practices.

This webinar looks to improve professionals understanding in regards to safeguarding children, including roles and responsibilities, key guidance and legislation, when and how to refer and the management of allegations in practice. This session meets level 2 child safeguarding requirements.

## Speaker: Vicky Brown

Vicky is a safeguarding operational lead at Mastercall Healthcare, delivering safeguarding level 2 & 3 training to clinical staff as well as bespoke training for other professionals.
